

# CALGARY FILM CENTRE

The Calgary Film Centre is a world-class facility suitably equipped and serviced so you can tell your story with ease. Whether you're making a film, a television series or a commercial production, there's never been a better time to tell your story in Calgary. Our legacy of storytelling is built on our ability to deliver the greatest return on every production dollar in the most stunning landscapes and filming locations.

Conveniently located 25 minutes from the Calgary airport and 20 minutes from downtown, the Calgary Film Centre features three purpose-built sound stages and three multi-purpose workshop and warehouse spaces, complemented by anchor tenant William F. White International.

## ABOUT OUR STAGES

Acoustically sealed, with duct silencers to reduce noise.

Up to 2,440 amp panels with dedicated camlocks.

Each truss can support 15,000 lbs with 42' floor to truss.

16 x 16 overhead doors allow a semi-trailer, motorhome or bus on stage.

Air can be replaced twice per hour to remediate scenes involving fog and smoke.

**20,575** sq ft  
stage one

**12,649** sq ft  
stage two

**18,189** sq ft  
stage three

## CALGARY FILM CENTRE

"Built on 8.35 acres, the Calgary Film Centre features three purpose-built sound stages and three multipurpose workshops and warehouse spaces.

The Calgary Film Centre has your production covered, with 50,000 square feet of purpose-built sound stages and 35,000 square feet of workshop and warehouse space. Co-located with anchor tenant William F. White, Canada's largest provider of professional motion picture, television, interactive digital media and theatrical production equipment, the Calgary Film Centre is equipped to service year-round productions.

Calgary has the infrastructure, locations and capacity to support new production protocols. Backed by world-class crews, competitive incentives and our very own purpose-built film centre, it's no wonder Calgary continues to draw award-winning productions from around the globe.

Calgary has your next production covered with purpose-built studios in the most film-friendly environment you'll ever experience."
