MISSION HOSTS

EDMONTON GLOBAL

Edmonton Global is the economic development organization representing 14 municipalities that make up the Edmonton Metropolitan Region. Our purpose is to radically transform and grow the economy of the Edmonton region. We do this by working to attract investment into the region and by helping our local companies expand through international trade.

MISSION HOSTS

GOVERNMENT OF ALBERTA

Located in Western Canada, the province of Alberta is a vibrant place to live, work and do business. Alberta is a known leader in responsible resource development across all sectors. Our province is a leader in research and innovation, technology and artificial intelligence. Home to some of the world's most livable cities with a young, educated, innovative, entrepreneurial and diverse population, a burgeoning tech sector and one the most business-friendly climates in North America, Alberta offers many opportunities for success.

Alberta is open for business. Alberta representatives are available to discuss trade and investment opportunities, share market intelligence and help develop business contacts to support trade and export development.

DELEGATES PROFILES

CLICK&PUSH ACCESSIBILITY INC.

Click&Push Accessibility Inc. is a social enterprise dedicated to increasing the ease of personal mobility for all by providing technology capable of improving accessibility and creation of inclusive communities. Our main project involves launching an accessibility mapping app, called The Atlas, that combines subjective user experience information and objective exertion data.

ATLAS empowers event organizers with a digital map highlighting accessibility features like ramps, elevators, and accessible washrooms. It's a platform where both organizers and attendees can report accessibility barriers, fostering a barrier-free, inclusive environment. Most importantly, ATLAS is a cost-effective solution for collecting data on accessibility barriers, enabling truly inclusive events.

DELEGATES PROFILES

AXIALBRIDGE

AxialBridge is a female founded company providing extensive experience supporting the life cycle of taking new therapies from concept through clinical trials and to market.

Founded in early 2020, we are passionate about changing the health paradigm from traditional pharmaceuticals, by supporting the movement towards the adoption of precision medicine focused on unmet current and future medical needs of people globally.

Our organization is dedicated to the advancement of novel therapeutics, devices and digital health platforms by providing a more targeted and customised approach including strategic services from preclinical advisory, pre-phase I strategic advisory support up to commercialization, including reimbursement & market access strategies.

The logo for AxialBridge, featuring the company name in a gold-colored serif font with a thin gold arc above the 'i' in 'Axial'.
